## 1. General (Times 11, bold)

Contributed papers must be in English and should report previously unpublished works. The total length, including figures and references, is one A4 format page. The authors are responsible for the content and style of the contribution and no editing or re-typing will be carried out by the Conference organisers. The accepted contributions will be reproduced without reduction or modification. Contributed papers which do not conform to the format described below may be rejected. Each abstract should be submitted separately in electronic form at the e-mail address:

**fltpd8@physics.muni.cz**

The submitted file must be **both** a Portable Document Format (.PDF) **and** a source file – either a L<sup>A</sup>T<sub>E</sub>X (.TEX) or Rich Text File (.RTF). If you use equations in your abstract, we recommend to prepare the abstract in the L<sup>A</sup>T<sub>E</sub>X format.

All contributed papers will be refereed by the International Scientific Committee (ISC). Based on their scientific quality, they may be rejected. The ISC will also select a limited number of the accepted contributions for an oral presentation. A book of proceedings, containing abstracts of the invited talks, as well as all one page accepted abstracts, will be distributed to the participants on their arrival to the conference site.

**Deadline for receipt of one page abstracts is 15th January, 2009!**

## 2. Recommendations for the text

### 2.1. Format

For invited and contributed papers, the abstract should be typewritten for **A4** format paper, using two columns Times New Roman font (exactly according to the present template). Margins are:

Top, Bottom: 2.5 cm; Left and Right: 2 cm.

Distance between columns: 0.5 cm.

Fonts must be:

Affiliations: Times 10, Italic, centred

Main text: Times 11, justified in left and right

Figure and table captions: Times 10, italic (except the word "Fig." or "Tab." and the corresponding number), centered

Major headings (Times 11, bold) and subheadings (Times 10, bold) are placed flush on the left-hand margin on a separate line.

### 2.3. Figures, tables and equations

Abstracts may include figures and tables. A caption should be attached to each of them. The captions are shown here:

Fig. 1: *A caption to this figure.*

Tab. 1: *A caption to a table.*

Equation numbers must be in parentheses and placed flush with right-hand margin of the column.
